Sir,

I have the honour to enclose a copy of letter No 52 dated 4th July 1896 from the Honorary Secretary, Maharani's School regarding two of the Normal scholars who have passed the upper Secondary Examination as well as the Teachers' Certificate Examination of the upper Secondary Grade According to Rule 3 passed by the Committee on the 19th and 20th June 1891 and quoted in the margin these scholars if employed are entitled to a fixed minimum pay of Rs 50 There is no provision for raising the pay by regular increments to Rs 75, though a maximum limit is fixed at Rs 75 by the rule The Lady Superintendent proposes to send back one

The Normal Scholars taking a two years' course training will prepare for the Vernacular upper Secondary Examination and also for the second grade Examination in School Management and methods of teaching according to the scheme that may be laid down When they have passed both the Examinations they will be qualified to teach in the Middle School classes and receive a pay of Rs 50 to Rs 75

of the singing masters named Subbarayar to the Palace whose pay is Rs 25, and appoint Ramanna who is in charge of the Infant A class as singing master in place of Subbarayar, the Infant A class being given to Janakamma. Narasinga Rao, one of the Assistant masters who was teaching Kindergarten and was in receipt of Rs 30 a month died lately and Miss Vokins wants to employ Gouramma in her place Narasinga Rao was trained by Miss Uhlemann to teach Kindergarten classes and he took up her work when she resigned her place in the Maharani's School How far Gouramma will be able to do Narasinga Rao's work I am unable to say I should myself prefer that Miss Uhlemann should be transferred with her pay (75 M) to the Maharanis School as Kindergarten mistress The savings shown by Miss Vokins amount to Rs 55 and the cost of entertaining the two additional teachers is Rs 100 a month

2 I would recommend that as the pay fixed in 1891 for those normal students who pass the upper secondary and Teachers

Annual 25 + 30 = 55

I would not force her on the Committee if the Committee would be consulted in this matter

3

Certificate Examinations is too high it may be fixed at Rs 30 for those who pass the same examinations in future. Male teachers who pass the same examinations are entitled to Rs 15 a month though they often get only Rs 10 or 12

I have the honour to be,
Sir,
